**Subject: CTFC Golf Tournament Sponsorship**

The CTFC is a non-profit association organized to promote camaraderie and contact among former players, coaches, and supporters of Tom Clark Cougar High School Football. Members of the club believe that the lessons learned on the fields of friendly strife have helped them in their successes today and want to give back to the Clark, Texas community. The goal of the organization is to provide college opportunities to deserving Clark football players in financial need through scholarships that are offered by the club.

The primary fundraising activity for the organization is through an annual golf tournament. This year's tourney will take place at the Quarry Golf Club on June 23rd. Proceeds from the tournament sponsorships go to the CTFC Scholarship Fund. Due to the tremendous support from the Clark and San Antonio communities, the value of the annual award has increased again projecting to rise above \$4000 for 2013.

We hope you share in our mission at the CTFC.

Sincerely,

Jeff Schorr
